

STAGE FRIGHT

WRITTEN AND ILLUSTRATED BY MAX FLOWERS

What the hell is
wrong with me

I'm... what's
wrong with me

That's... what's
wrong with me

There...

All better...

Hey! Let's
fucking go!

Woah, you good?

Yea... I'm good.

You sure? You're
bleeding all over
the fucking floor!

I said I'm good.

I'm serious, you
can't go out and
sing like that!

Watch me.
Just shut up
and play.
